Attention: Board of Directors

Dear Board of Directors,

Polly Peters and I have successfully audited the GL/Cash Receipts/Accounts Payables and Bank Statements for the BWRMA for the period of April 15, 2022 to February 28, 2023.

The books were in impeccable order. They were clear, reconciled, and easy to follow. Tom Lewellen has maintained perfect books for the Association.

I have no recommendation for any changes at this time.

Respectfully,

Laurie Davis
